Property Description

Waldorf Astoria Residences Guanacaste is a collection of 23 furnished oceanfront condo residences (2- and 3-bedroom units, 1,509-2,299 sq ft) and furnished oceanfront estate homes (4- and 5-bedroom) located on the Cacique Peninsula, a secluded and cascading cliffside site centrally situated between two towns with shops, restaurants and cultural experiences in Guanacaste, one of the world's only Blue Zones. The site plan was developed over a decade to set a new standard for barefoot luxury travel, incorporating modern sustainability principles, local architectural influences and authentic Costa Rican culture on an unusually rich and ecologically interesting piece of land with panoramic views of the Bay of Papagayo and the Pacific Ocean. All residences and estates are fully furnished, and owners may include their property in the rental program. Waldorf Astoria resort amenities include a beach club, a cenote-inspired spa with treehouse-style treatment rooms, multiple restaurant venues, a state-of-the-art gym, a movement studio, an outdoor yoga area, and lap and thermal pools.
