Property Description

Welcome to Finca Rincon de la Vieja, a breathtaking property that unfolds over an expansive 25 hectares (61 acres). Sheltered by a tropical forest with stunning vegetation, the property is an oasis of natural beauty. The finca has access to hot spring waters, allowing you to design your own healing pool with natural minerals, fed by the rich, volcanic earth. Explore a spectacular ecosystem replete with rushing waterfalls, lush forests, hot springs access, and rich, volcanic landscapes. With 25 hectares (61 acres) of fertile land and striking views to mountains, forests, rivers, waterfalls, and creeks, Finca Rincon de la Vieja offers versatility for investment and development projects. Just far enough from the crowds to stand as an oasis of tranquility, the property is located close to established tourist attractions (Dino Park, Blue River Resort, Sensoria) and about 65 minutes from Guanacaste International Airport.
