Property Description

Liberia can no longer keep up! Housing demand is growing, and development is expanding into new areas. Invest today in 6 strategic hectares, with 80% flat land and a mountain area offering panoramic views of the Tenorio and Miravalles volcanoes. Located just minutes from Liberia, this property has high potential for residential, tourism, or retirement projects immersed in nature — and close to all the progress of Liberia and Bagaces. Direct owner financing available, interest-free. The location is strategic: surrounded by the natural richness that characterizes Bagaces, with easy access to beautiful beaches such as Panamá, Buena, Hermosa, Calzón de Pobre, Nacascolo, and many more that make up the charm of the Guanacaste coast. The area also offers hot springs, rivers, waterfalls, and nature reserves that attract both national and international visitors year-round. From the property, you can enjoy stunning views of the Tenorio, Miravalles, and Rincón de la Vieja volcanoes in a peaceful setting full of lush vegetation.
