Property Description

Discover Homesite A5A, an exceptional opportunity to build your dream home in Guanavista, an exclusive gated community in Playa Ostional, Costa Rica. Priced at \$459,000, this jungle-view property is surrounded by lush tropical vegetation, offering a peaceful and private setting where thoughtful architecture can blend seamlessly with the natural landscape. A5A provides an inspiring canvas for a custom vacation retreat, full-time residence, or investment property. Its tropical setting creates opportunities for open-air living spaces, private gardens, and a residence designed to embrace natural light, cooling breezes, and the sights and sounds of the surrounding environment. Ideally located within Guanavista, the property offers convenient access to planned community amenities, nature trails, the Retail Village, and the nearby private membership clubhouse. Its combination of jungle immersion and coastal proximity provides the relaxed lifestyle and connection to nature that make this region so desirable.
