Property Description

Casa Wabi is a residence meant to be felt as much as it is lived in. Inspired by the Japanese philosophy of Wabi Sabi, it celebrates natural beauty, authenticity, and timeless design, offering a lifestyle where true luxury is found in calm, space, and a deep connection to nature. Located within Las Golondrinas, one of the most exclusive communities in Hacienda Pinilla, Casa Wabi offers a rare combination of privacy, low density, and direct beach access. Residents enjoy Playa Bonita, a virtually private, untouched beach known for its white sand, gentle waves, dramatic rock formations, and lush tropical surroundings. Set on a 2,473.50 m² corner lot, one of the largest in the community, the home is less than a four minute walk from the beach. Every mature tree on the property was preserved, allowing nature to shape the design and create a true private sanctuary. Built with solid concrete, block, and steel construction, Casa Wabi reflects exceptional durability and craftsmanship.
