Property Description

Angel House offers refined coastal living in the heart of Guanacaste, where contemporary architecture blends naturally with Costa Rica's lush tropical landscape. Set on an expansive two-hectare property, the residence provides privacy, generous outdoor space and a strong connection to its natural surroundings. The home features four bedrooms and five bathrooms across approximately 350 square metres of construction. Spacious social areas, elegant finishes and floor-to-ceiling windows allow abundant natural light and tropical views to become part of the interior experience. Designed for relaxed living and entertaining, the property integrates indoor and outdoor spaces with a swimming pool, garden, jacuzzi and balconies. Its modern coastal character, substantial parking capacity and pet-friendly setting make it suitable as a private residence, vacation retreat or high-end rental investment.
