Property Description

Located in the heart of Las Catalinas, 16 Calle La Ronda is a recently renovated three-bedroom home just a short walk from Playa Danta, restaurants, cafés, and the community's main amenities. The home is arranged across three levels. On the ground level, there is a private bedroom with its own bathroom, offering a comfortable space for guests or family members who prefer more separation from the main living areas. The first level is where the home comes together. The kitchen, dining, and living areas connect directly with the covered outdoor terrace and private plunge pool. This layout makes the space easy to enjoy, whether you are spending a quiet morning at home or gathering with family and friends after a day at the beach. The renovated kitchen features clean finishes, large windows, and plenty of natural light. The open layout allows the indoor and outdoor areas to feel connected, creating a relaxed and practical space for daily living.
