Property Description

Welcome to Lot 6A in Senderos, one of the finest remaining homesites in Phase 1 of this prestigious gated community and a rare opportunity to build a luxury estate in one of Costa Rica's most desirable destinations. Positioned on the hillside with easy access from the main entrance, this exceptional property enjoys breathtaking near-panoramic views of the Pacific Ocean, Tamarindo Bay, the protected Tamarindo Estuary, Playa Grande, and the surrounding valleys. From sunrise to sunset, the ever-changing scenery creates an extraordinary setting for a custom home. Whether you're relaxing by your future infinity pool, entertaining on the terrace, or enjoying your morning coffee, these spectacular views capture the essence of Costa Rica's luxury coastal lifestyle. Adding even greater value, the property includes a valid water letter, one of the most important assets when purchasing land in Costa Rica.
