- Property Type: Land
- Size: 742 Square metres

- Status: Available

Property Description

Welcome to the safe and tranquil Hatillo community, a calm town in nature's embrace and minutes away from the Dominical surf. This beautiful property is ready to build with completely flat usable terrain, electricity and legal AyA water. Forested section in the back where the property borders the river gives a tropical feel. Private river area invites you to cool off and connect with nature. Located in a safe and quiet family community with captivating views of the jungle and mountains. Hatillo offers the convenience of a school, church, supermarkets, and eateries. It is also a natural paradise where many beautiful rivers converge, with an abundance of water and lush green surroundings. No 4X4 vehicle is required to reach this property. Enjoy a convenient location 10 minutes to Dominical beach vibes, 30 minutes to Quepos Airport and 40 minutes to world-class sport fishing, shopping and fine dining in Marina Pez Vela.
