Property Description

Nestled in the hills around Hojancha on the Nicoya Peninsula Blue Zone, The Refuge is a 13-lot ecological community offering parcels from 5,000 m² to 2.5 hectares. Lots feature mountain and countryside views, with select sites overlooking the Gulf of Nicoya. A protected 3-hectare forest reserve with a clear mountain stream anchors the development, supporting abundant birdlife and wildlife preserved by a permanent conservation easement. Homesites have public electricity, AyA water service, and reliable high-speed internet. The community encourages sustainable construction, water reuse, and native landscaping while restricting activities that would harm the forested character or property values. Well-maintained roads place Hojancha 10 minutes away, Nicoya hospital 25 minutes, Liberia airport 90 minutes, and Pacific beaches like Samara within an hour—offering peaceful, nature-forward living with modern conveniences.
