Property Description

70 Acres of Panoramic Oceanview Luxury in Escaleras, Uvita Monkey Ranch is an exclusive 70-acre (approximately 30-hectare) rainforest estate perched at 335 meters above sea level in the prestigious Escaleras mountains of Uvita. From this privileged elevation, the property commands breathtaking panoramic views stretching from the lush mountains down to the Pacific Ocean — delivering year-round sunsets and refreshing sea breezes. The Main Residence The primary home is designed for both privacy and grandeur, offering expansive living spaces that seamlessly integrate indoor and outdoor living. At the heart of the home: • Oversized master suites, thoughtfully positioned for privacy and views • A spectacular lower-level master retreat featuring separate his-and-hers walk-in closets and generous spa-style proportions • Floor-to-ceiling openings that frame sweeping mountain-to-ocean vistas The outdoor living experience rivals a private resort: • A resort-style infinity pool with natural rock features built into the design • Expansive terraces ideal for entertaining or quiet sunset evenings • Immersive jungle surroundings with complete privacy Additionally, the main residence includes a brand-new independent apartment with ocean views, ideal for guests, staff, or rental income — offering flexibility without compromising privacy.
