Property Description

Welcome to Casa SolAngelo, the most iconic residence within the prestigious gated enclave of Tulemar — Costa Rica's premier destination for luxury living in Manuel Antonio. Designed by award-winning architect Andres Brenes, this masterpiece blends cutting-edge design with the natural beauty of the jungle and coastline. Perched above the rainforest canopy, this four-story residence features a dramatic triple-edge infinity pool suspended 50 feet above the jungle, with panoramic Pacific Ocean views. At the heart of the home, a three-story limestone wall carving rises alongside a living Frangipani tree, creating a striking focal point. Unparalleled Indoor-Outdoor Living The uppermost level is penthouse-style, with vaulted ceilings and sweeping 240-degree ocean views. The chef's kitchen is fully outfitted with top-of-the-line appliances, including a built-in ice maker. The pool terrace features sun-drenched loungers, in-water chaise lounges, and Italian-imported furnishings.
