Property Description

Casa Bambú is truly a one-of-a-kind custom crafted luxury home located in one of the most desirable areas in all of Costa Rica. The 5 bedroom and 5 bath masterpiece is about 5,650 sqft of interior and exterior living space creating the perfect harmony of form and function. Located only 7 minutes from the beach at Dominicalito which is a beautiful cove shaped bay with stretches of sand for walking and rock formed tidal pools to explore at lower tides. The famous beach town of Dominical is 10 minutes from the home. ENTRANCE, LIVING ROOM, KITCHEN, AND DINING Entering the home from the enormous covered portico designed for 4 cars you are immediately greeted by the “WOW FACTOR” of the view out to the seamless transaction of the infinity pool, sea, and sky framed by lush green mountains and immaculate landscaping. This combined kitchen, dining and living room space is grandeur in scale with 24 feet high vaulted cedar wood ceilings with decorative bamboo beams traversing across towards the oceanside of the home.
