Property Description

Welcome to Casa Diamante, a true diamond in the rough just 50 meters from Playa Potrero in the heart of Surfside. Set on a 578 m² lot, this unique property features three permitted units and offers an exceptional opportunity for buyers looking to renovate, invest, or create their own coastal retreat in one of Guanacaste's most desirable beach communities. With approximately 1,600 square feet of combined living space, the property includes five bedrooms and two bathrooms across three separate structures. Its flexible layout is well suited for vacation rentals, long-term rentals, multi-family living, or a boutique hospitality project. There is also room to add a private pool or enhance the outdoor living spaces, creating even greater value and appeal. Beyond the property itself, the location is a standout feature. Walk to Playa Potrero, local restaurants, cafés, shops, and beach bars, while Flamingo Marina, grocery stores, and international schools are only a short drive away.
