Property Description

This 19+ acre, gentleman's farm has magnificent views of the San Juan del Dios Valley, a window of ocean views and seasonal sunsets. Located in Plantanillo, just 20 minutes from the Playa Dominical and 30 minutes from San Isidro, the higher elevation provides cooler temperatures. There are 9 pastures, one electrified, and many trails throughout the property. The access is an easy 2 kilometers from the paved road as you enter the gated, circular driveway to the house, bounded by royal palms and lush tropical landscaping. The 2,368 square foot home is wrapped in terraces to enjoy the magnificent views. The first floor living room, dining room and kitchen features an open floor plan with vaulted, tropical wood ceilings and easy to care for ceramic tiled floors and granite counters. One of the guest rooms features a full en suite bath and could be used as a master suite. The second bedroom is currently used as an office.
