- Size: 240180 Square metres

- Status: Available

Property Description

This stunning 59.35-acre property offers panoramic ocean, mountain, and jungle views. Situated at an elevation of approximately 1,600 feet+, it enjoys a cooler climate, making it a perfect retreat. The property is only 20 minutes away from beaches and essential services, providing the best of both seclusion and convenience. The land is exceptionally private with multiple areas to build, offering the potential for various development opportunities such as a boutique hotel, family compound, or private estate. With six plantels already prepared and additional areas to carve out, this property offers endless possibilities. It's accessible via a public road with no restrictions on construction or business activities, allowing for flexible use. Location: The property is ideally located close to both Hatillo and Dominical, two popular towns with access to pristine beaches, restaurants, and services.
