Property Description

Discover an unprecedented opportunity to build your dream tropical estate in Las Golondrinas, one of the most prestigious and highly sought after gated communities within the renowned Hacienda Pinilla resort. Spanning an impressive 3,402 square meters (0.84 acres), Lot #41 is one of the largest parcels in the entire neighborhood, presenting a compelling Costa Rica luxury investment opportunity. Its generous size guarantees exceptional privacy, lush natural surroundings, and endless architectural possibilities for a grand luxury villa, guest casita, and expansive outdoor living spaces. Steps to the Beach: Located just 500 meters from Playa Bonita, a serene white-sand beach famous for its calm waters, pristine scenery, and world-class year-round sunsets. Unbeatable Market Value: Priced at \$890,000 USD, this property offers an extraordinary price-per-square-meter advantage—offering double the land size compared to recent sales in neighboring sub-communities like Los Coralís at a far more competitive price point.
