- Property Type: Land
- Size: 2071 Square metres

- Status: Available

Property Description

An extraordinary space to build, surrounded by nature and scenery. Located in Jericó de San Miguel de Desamparados, just 30 minutes from San José, this 2,071.68 m² (22,299 sq ft) property sits in a mountain setting surrounded by lush greenery and beautiful open views. Its sloping topography provides an ideal canvas to develop an architectural concept fully integrated into the land—utilizing its natural levels to create terraces, gardens, outdoor spaces, and living areas oriented toward the views. It also features 80.45 meters (264 ft) of public street frontage, an exceptional characteristic that adds width, accessibility, and design versatility to the project. Key Features: 2,071.68 m² total lot area 80.45 meters of public street frontage Located in Jericó de San Miguel, Desamparados Beautiful landscape views Green mountain environment Multi-level natural topography Excellent space to build a custom-designed home A property with character, space, and a privileged backdrop to build a home where nature and views are part of everyday life.
