Property Description

This beautifully and lushly landscaped 4.5-acre property with breathtaking mountain views is located in the desirable Finca Marañon jungle estate development. So much to explore throughout the 4.5-acre property with numerous mature fruit trees including citrus, mango, and avocado, and a path from the pool winds down through the jungle to a creek. The ocean view and sunsets for several months of the year can be admired from the 2nd story gazebo, and several waterfalls are visible on the mountainside during rainy season. Walking through the gardens is an absolute delight. This property needs to be seen to be truly appreciated! The house features a fully equipped kitchen, a dining room with patio doors and mountain views, spacious and tastefully decorated living room, an office, laundry room and guest bathroom. There are 2 air-conditioned bedrooms, each with ensuite bathrooms. A curated collection of art adorns many walls throughout the house.
