Property Description

This is an old-style Tico home with 3 bedrooms and 2 baths in the very popular area of Quebradas, only minutes from downtown San Isidro de El General. Quebradas is one of the most popular areas for ex-pats due to its convenience and proximity to a town, the altitude that offers a near-perfect micro-climate, and the beautiful and pristine river that flows through. The home is located within a safe, but easily accessible, distance from the Quebradas river. The grounds around the home are lush and well-maintained. The property also features a rustic wooden cabin and a garage for one car. The home is located off a private road and has gated access, offering privacy and security. There aren't too many homes of this quality for sale in the area, so if Quebradas is a location you're interested in, you should see this place! The property is less than 10 minutes from downtown San Isidro and an hour from the beach at Playa Dominical.
