Property Description

This property is a unique contemporary home set into the hillside of one of the area's most sought after ecological communities. El Salto Estates is an expansive community of homesites, all of which are a minimum of 1.25 acres in size, that offer homeowners and visitors a mix of security along with the privacy and biodiversity which is so iconic to the area. Casa de las Cascadas is a luxury 4 bedroom vacation home that sits on 2.5 acres of a fully titled property. The contemporary design is breathtaking and offers a luxurious setting from which to marvel at the sunset, ocean and mountain views. The home seamlessly integrates the elements of natural light, breezes, and water throughout and it derives its name "casa de las cascadas" (House of the Waterfalls) from the main water feature which runs through the middle of the home. The top floor has a spacious cooks kitchen, luxurious living, and dining areas which all spill onto the deck and infinity-edge pool.
