Property Description

Welcome to this remarkable 116-acre farm, a truly exceptional property that caters to your desire for a picturesque haven. Nestled in an exclusive location, this idyllic setting offers a multitude of possibilities, whether you envision creating your own ranch or exploring the potential for a captivating development venture. Immerse yourself in the gentle topography that graces this land, providing an inviting canvas with a wealth of ocean view and valley view sites to choose from. The allure of this property is enhanced by the presence of a well, ensuring a reliable water source, and a preliminary master plan, offering a blueprint for your future endeavors. Indulge in the captivating natural wonders that surround you as the farm borders a river, where its cascading sections provide a symphony of tranquil sounds. Discover a hidden gem within the landscape—an enchanting waterfall that invites you to experience moments of bliss in its refreshing swimming hole.
