Property Description

Over 12 acres of startling beauty located in the Valley of the Horses that comes with a well built two bedroom two bath home that has large outdoor living space, and covered carport and work shop. Property is super secluded, and offers an incredible view of a lush tropical rainforest ridgeline with the soothing sounds of the river that runs through the middle of the property. This parcel offers a unique combination of open pasture lands, river, and some old growth jungle. Conveniently located within 15 minutes of the beaches near the quaint beach town of Dominical. Some of the nearby attractions are the Nauyaca and Diamante waterfalls, and Haciendas Baru wildlife refuge, Ballena Marina National park, excellent surfing beaches, sportfishing, and so much more. If your looking for the tranquil spot away from the crowd, and at a comfortable altitude, and at a special price point, this is it! Do not miss out on this first time offering of 12 acres with house that is suitcase ready!
