Property Description

This brand new house offers sweeping ocean views from many locations including the pool deck, expansive patio, luxurious master suite and the outside shower. When you open the door from the carport you are immediately taken aback by the spectacular ocean view. The entrance to the main house opens into the front foyer, which is actually on the second floor, and leads to two ensuite bedrooms. The large master suite and the guest suite have beautiful sliding doors leading to private balconies with magnificent ocean views, perfect spots for morning coffee and viewing evening sunsets. The master bath includes a luxurious shower area. From the foyer, follow the spiral staircase down to the open concept living space that is perfect for family time and entertaining. The spacious kitchen is a chef's dream with high-end stainless steel appliances, granite counter tops and custom cabinets. Bar seating just outside the kitchen window provides a perfect spot for a casual meal.
