Property Description

Literally in the HEART of Ojochal, this quaint home is a dream come true for those shopping for a place under \$200,000! This 3 bedroom, 2.5 bathroom home has been recently renovated and looks like new. Filled with local hardwoods, it provides a very comfy atmosphere for you and your family. This bungalow flows well with a new room at each turn. You will be surprised how big this home is once you see all of it. The outside has been meticulously maintained and is bordered by a nice quebrada that allows you to fall asleep to the sounds of nature and water. The outbuilding that comes with this lot is a cute little cabin currently being used as a home office. This very peaceful yet well appointed cabin is a nice addition to the property with it being on the grid and with it's own bathroom.
