Property Description

Amazing Mountain view home with High altitude - Price just reduced from \$289k. A beautiful home located in Platanillo, with an altitude of 1300 Ft above the sea and less than 20 minutes to Dominical beach and about two minutes from the pavement with 2 WD access. Located only 1.1 kms from the main paved road from Dominical to San Isidro in a private setting with great views of the San Juan Dios valley and surrounding mountain ranges. The home has 2 bedrooms and 2 full baths with large kitchen and open living room. A long porch along the back and side of the home offers plenty of outdoor space for relaxing and taking in the views. There is also an outdoor sink and hook up for washer and dryer. Inside the vaulted ceiling beams are treated cedar and the rest of the wood used throughout the house for doors, cabinets, and under side of the ceiling is a local cedar. Quality construction built to American standards with a large enough side yard for pool and poolside BBQ rancho.
