Property Description

This is a fantastic opportunity to own one of Uvita's top B&Bs. You'll love this 10-acre oasis overlooking the jungle canopy. Here's your chance to take control of an income generating business with excellent occupancy rate and ROI. This is a true turn-key operation that shows strong gross sales over the last 1.5 years. The business part of the property is found in four elegant 500 sq. ft. cabins. Each unit includes a kitchenette, a comfy king bed, a shower with a jungle view, and a private balcony. The communal area, cleverly named "The Pineapple Lounge", is equipped with a full kitchen, BBQ and dining area, as well as a large swimming pool overlooking the expansive rainforest. The owners' residence is perfectly situated on the property for privacy. The home includes 2 bedrooms, spa like shower, dry room and a large spacious kitchen for the chef in you. The views from the deck are stunning and the consistent light breeze makes for a space you can enjoy for hours on end.
