Property Description

Coldwell Banker Samara Exclusive: Casa San Rocco is a unique property, perched on a high ridge overlooking Playa Buena Vista, beautiful coastal mountains and Mangrove forests. You can experience amazing ocean views and colorful bird populations living in the surrounding valleys. The house is really three buildings tied together by coral tiled walkways and has the feel of a small Mediterranean village. A uniquely styled pool is the center attraction of this architectural masterpiece and is easily accessible. In total you will enjoy three bed and three bathrooms in a house accommodating up to 8 people. Relax and enjoy the views from the rocking chairs on the large veranda. Please contact this office for more information. info@coldwellbankersamara.com 2 Additional lots surrounding the house are also for sale. Price & sizes to be confirmed.
