Property Description

JUST REDUCED! Located just minutes from the volcanic sands of Playa Buena Vista, Casa Colores truly is a buyer's paradise. Resting atop of 11,350.99 square meters of titled and pristine real estate, this vibrant multi-family residence boasts spectacular ocean and valley views throughout the property. Built in 2008 and with over 3,773 square feet of construction, the estate features a main home with 3 bedrooms, 2 bath, with spacious living and outdoor areas. Furnished with high speed internet, phone line, split A/C units, private access, and with all kitchen appliances included. The property is also conveyed with a 2 bedroom, 1 bath guest home, and a 1 bedroom, 1 bath guard house. This property is multi-purpose and can be converted into any commercial establishment. A poolside ocean view and relaxing environment. Located less than 20 minutes from Playa Samara, and less than 2 kilometers from Playa Buena Vista.
