Property Description

Features: This 3 bedroom 3 bath executive home was completed in 2000, and has had many upgrades including the enclosed patio room. It has over 2200 sq ft under roof. The finest building materials and fine/rare exotic woodwork make this home quite unique. The home also has a large office with separate entrance. The third bedroom/bath has a separate entrance and can easily be converted to a separate apartment utilizing the office, or to be used for a live-in. Exotic wood in the entire ceiling and used throughout the home. All floors are Spanish tile ceramic and kitchen has granite countertops, AC and ceiling fans. Exotic wood vanities and beautiful stonework in the bathrooms. The rear patio has been enclosed and screened in. Plans for a Jacuzzi off the master bedroom are underway...plenty room for a pool. The front porch is the entire length of the home. Located on a wide green zone allows complete privacy behind the house.
