Property Description

These exceptional, spacious apartments offer luxury, comfort and convenience in the prime location of San Rafael Escazu. The developer specifically chose this location because of its proximity to the area's best restaurants, shopping centers, gyms, banks, offices and the Costa Rica Country Club and golf course. Then they designed these beautiful apartments with the best luxurious finishes available with lots of natural light, central air conditioning and several balconies to ensure your comfort. There are only 16 apartments in two towers, each with its own elevator that takes you directly to your own apartment with a specific code for each apartment. As you enter your home, you're greeted to a lovely entrance way. The living area is very ample and open to the dining room which you will love entertaining your friends and family. The eat-in kitchen has the very best contemporary cabinetry with lots of space, a center island and quartz countertops.
