Property Description

WORLD CLASS VIEWS SURROUNDED BY FASCINATING NATURAL ENVIRONMENT This majestic edifice is a recently built custom estate that elegantly blends Caribbean influences, local woodwork with modern architectural finishing. Etched into the Escalares mountain range at 1,000 feet of elevation, every room in the home opens up to incredible and fascinating views, including 70 miles of Southern Pacific Ocean Coastline as wild flora and fauna abound. The Cano Island, the famous Whales Tale, rolling, undulating mountain ranges, and rainforest form a natural amphitheater view for the resident to consistently behold. Local farmers offer wonderful organic produce and fresh seafood caught daily, creating a myriad of opportunities to enjoy. The number of outdoor activities is limitless with adventure at every corner. The live entertainment found on the Southern Pacific coast is incredible with multiple options to treat your guests.
