Property Description

This beautiful and tranquil boutique hotel and cabinas is truly a gem in the heart of the village of Ojochal! The location and price cannot be beat! The current owners have done many upgrades, additions, and improvements to this beautiful property and enjoy a busy guest list year-round. Everything you need to operate a successful business is right here - all it needs is you! The 2.2-acre property is easily accessible from the main road, but it feels like a secluded jungle paradise! The property has four cabinas, each with a kitchen or kitchenette, dining area, patio, and private bathroom. In addition, there are five rooms and six bathrooms in the main building near the pool. A restaurant dining room and kitchen provide everything you need for a full-service restaurant for your guests. The expansive grounds provide privacy between the different areas, as well as offer ample space to build additional cabinas in the future, if desired.
