Property Description

Nice house with high ceilings, strong construction, big windows and ventilated roof, located in very beautiful tranquil place with comfortable climate. Good water from the well all year round. Good access to the property all year round. Location: Tinamastes, Alfombra, 3,5 km down from paved road by gravel road that is fixed each year. At the property there are 3 streams that are gathered at one big that gives a lot of water all year round. Two years old garden that started to produce: guanabana, guayaba, oranges, lemons, mora, nispero, kumkwat, mangostan, mamonchin, young coconut trees, mora, jaboticaba, ylang ylang, figs, manzana aguas, avocados, mangoes three types, starfruit, zapote etc. Half of the property is the old forest with a lot of wildlife. Very secure and private place. Contact me for showings or any other additional info: j.mena@cbcstarica.com
