Property Description

In the lovely mountain community of Las Lagunas, sits this luxurious ridge top home. An ocean-view estate on over 17 acres bordering a nature preserve. Located just north of Playa Dominical, this property includes a 4,600-square-foot luxury home that takes advantage of the breathtaking ocean views afforded by its 1,100-foot perch above the Southern Pacific Coast. The dream home includes modern high-end conveniences and automation technologies designed for quiet living and entertaining in elegant surroundings. At the end of a private road, it is adjacent to a nature preserve with two species of monkeys. The ocean waves can be heard from here, and on moonlit nights, the waves sparkle along the 20-mile coastline from Guapil to Manuel Antonio. The property takes advantage of the expansive mountain and valley views. A 600-square-foot apartment is above a two-car garage. The infinity-edge pool has a natural rock waterfall, outdoor speakers and beautiful landscaping.
