Property Description

This is an incredible ocean view property located in the mountains above the town of Hatillo. The property sits at approx 1000 ft elevation and has spectacular sunset ocean views over the Pacific Ocean. The way the lot is situated it looks northwest up the coast towards Manuel Antonio and has miles and miles of white water views. The lot is private and is surrounded by large old-growth trees that are frequented by all of the local wildlife. You will see parrots, toucans, monkeys, and sloths just to name a few. The mountain has several high-end homes and boutique hotels due to its great views and desirable location. It is a 5 min drive down to the town of Hatillo on a mountain road that is paved in many areas and well maintained. The town of Hatillo has a few restaurants and a few small grocery stores. It is only another 5 min from Dominical and also to Playa Guapil.
