Property Description

Casa Isidro, recently renovated, is a Mediterranean style home is located in the Pajaro Azul, an exclusive and unique neighborhood of Manuel Antonio. One of approximately 20 homes perched on the hillside overlooking Quepos and viewing up the Northern coastline and into the deep blue waters of the Pacific. This house has 2 bedrooms and 3 bathrooms as well as a big terrace, pool and pool deck on the upper level with an apartment on the lower level. The recent renovations include a new roof, pool, pool deck, new AC units, ceiling fans, hot water tank and laundry room, all major appliances were replaced. New furnishings as well as tiling, faucets and painting Driveway was also modified allowing for more parking. The lot measures over half an acre, one of the biggest in development with tons of available room for expansion of the existing home or to build a new home or two. Many possibilities available.
