Property Description

Finished in 2016, this stylish new home in Uvita has everything you could need for the perfect home or rental income-producing property. It's located just feet from downtown Uvita so you can walk to absolutely anything you may need in a day. The home is built floor to ceiling with local hardwoods, giving it a sleek and modern appearance. The inside has three bedrooms and two and a half bathrooms with a sitting, dining, and kitchen area. Outside is a poolside lounge and a large wooden deck where you can sunbathe and take in the mountain views. There is a covered carport and additional uncovered space so you can park up to four vehicles within the gates of this beautiful property. Tourist Attractions and Daily Necessities Just Steps from Your Home. This property is located on the major Uvita side street which means you're walking distance to everything downtown; banks, markets, restaurants, shopping, and launching points for major tourist activities.
