Property Description

Located in San Salvador, 15 min from the paved road in Tinamastes and halfway between Dominical and San Isidro. This 131 acre farm has it all. When you enter the farm there is a 4 bedroom modern home that the caretaker's family lives in. Then further on in is the owner's small home which consists of a loft bedroom and a kitchen, living room, porch, and carport. Further along in another similar home. There is also an old Tico home that can house more workers. There is a cattle barn w/ tack room, pig barn, a horse corral, and a sugar cane mill. The farm comes with 15 cattle, 2 oxen, 7 pigs, 5 beautiful horses, a greenhouse full of vegetables, a field of sugarcane, a huge pineapple patch, tilapia ponds, and countless fruit trees. Basically enough food and animals to be completely self contained. Not to mention the countless springs that run through the property. The owner has built 2 concrete swimming pools in the jungle that run fresh spring water through them.
