Property Description

Newly Remodeled Ojochal Home on Stunning Property.....Right in the center of Ojochal Costa Rica with fabulous ocean views, this cozy 2 Bd /2 Bath house has a large living and dining area with an open kitchen and 750sq feet of covered area adjacent to the pool for enjoying cool evenings outdoors. Best yet, the currently owners have finished with a beautifully appointed remodel project that expanded the pool and internal surrounding. There is a 200 meter long building area with incredible ocean views and of the mouth of the Coronado River entering the ocean. This incredible property extends down into the jungle and watershed area, with additional ocean view building areas, so there will be no building directly in front of your view. This property is perfectly situated to accommodate a hotel / B&B concept to include up to 8 well-appointed and elegant Casitas. In this concept, you could turn the main home into the a restaurant or main office location.
