Property Description

Casa Mirada is a spectacular home with an ocean view of Playa Garza. Located in a gated community of Blue Spirit Retreat Center with 24/7 security. The home has 3 bedrooms, each with its own full bathroom and large balcony. There is an additional half-bath, an outdoor shower, washer and dryer, a beautiful garden, and a very nice infinity edge pool on the top floor. One of the bedrooms can be used as its own private studio suite with a fully furnished kitchen. The home is just a short walk to the south end of Playa Guiones and short drive to the fishing village of Playa Garza. Blue Spirit Retreat Center provides an extraordinary setting to all who are dedicated to spiritual transformation, personal development and environmental sustainability. Located in one of the world's five Blue Zones, according to Dan Buettner, this is an area where people live the longest and report the highest levels of well-being.
