Property Description

Villa Caimito is an amazing new estate property nestled into the tropical rainforest in one of the most private and secluded areas of Manuel Antonio. The villa is just minutes from Marina Pez Vela and also is a short walk down a rainforest trail to the secluded Playa La Macha, providing visitors and future owners a unique blend of privacy, access to beaches as well as all the amenities and services of the area. Villa Caimito is an expansive a completely remodeled home which could be used as a private residence, as a rental income property or as a small bed and breakfast given its unique floor plan and distribution. The home has a total of 9 bedrooms and 11 Bathrooms, distributed over 4 stories of amazing and fully renovated construction overlooking the rainforest and Pacific Ocean. The house is basically divided into three sections. Upon entering the primary entrance you are greeted with an enormous open floor plan with cooks kitchen that spills into a tropical hardwood dining table for 12, living area and spacious covered deck.
