Property Description

Casa Paraiso is an incredible example of modern, luxurious off-grid living. Situated in one of the most beautiful locations in all of Finca Bellavista, this incredibly spacious home measures approx. 1,600 square feet and is just a short walk from basecamp and a ten minute walk from the waterfall – talk about a great location! The home is ideal for large families; both spacious bedrooms are separated via a covered bridge, each with their own full bathrooms and generous private deck space. The lower level also includes a queen size bed and fully-furnished kitchen whilst the master bedroom on the higher level includes a king-sized bed and an additional futon for extra sleeping space. Unobstructed views of the jungle from all angles of the home provide incredible wildlife viewing opportunities. Situated on 1.73 acres (parcel 3B), this turnkey package comes complete with an ample photovoltaic solar system, which provides power for refrigeration and beautiful lighting throughout the home.
