Property Description

Look no further, this is hands down one of the most beautifully designed homes in town. Situated on a double lot in Canto de Gavilanes, this newly built property is surrounded by a nature reserve, only minutes away from all amenities and Cangrejal beach. You do not want to miss this opportunity to own your tranquil, private paradise in a real estate hot spot where lots for sale are hard to come by. The property includes the main house with pool & Jacuzzi, a studio with carport and a casita with its own pool. The casita is currently rented for the next 3 months and is an excellent income generator or it can be used as an additional space for visiting friends & family. The main house boasts an open concept design. At 1,775 sq ft nothing has been overlooked. The main home includes 2 bedrooms and 2.5 baths. The master bath includes a spa like shower and bathtub with a skylight that lets in the natural light.
