Property Description

Watch the whales annually from the large outside living area or pool deck on this newly constructed beautifully modern crafted 3 bedroom, 3 bathroom house. Within easy access to the main highway and within walking distance to one of the areas most stunning beaches, Play Ballena. This stunning home provides both ocean and jungle views with a luxurious pool while keeping everything on a single-level. This single level home is great for young children, a retired couple, or those with disabilities. All bedrooms feature beautiful views, space, and A/C units. The master suite also features a dry-room closet and inside outside shower to truly enjoy the beauty that Costa Rica has to offer from all angles of this home. Make good use of the ample parking and open living spaces by entertaining friends and neighbors. The beautiful home will come furnished with custom built bedroom sets, upholstered living room suite, and local hard wood dining set.
