Property Description

Situated along the Coronado River just south of Ojochal, this 71 acre property is located in the well-established gated community of Cascada Sandalo Estates. The community has a well-maintained road system throughout along with other infrastructures such as internet, cable TV, and ASADA water. This large estate includes one developed home site complete with a 4-bedroom home, a small caretakers house and plenty of room for multiple additional building sites. Take the private road or the walking trail behind the house to a beautiful waterfall and stream perfect for relaxing meditation or a cool dip. As an added bonus, a private source for gravel can be easily accessed on the property. This property has it all! Beautiful 3,500 sqft Home Surrounded by Primary Forest The home is located on a private site which incorporates ocean, waterfall, and primary forest views. Expect visits from a variety of wildlife which includes monkeys, sloths, tapirs and macaws.
