Property Description

This gorgeous home is in the pueblo of Providencia in the verdant rolling hills less than a half-hour to the northwest of San Isidro de El General. The property sits at a comfortable altitude of around 800 meters (2,600 feet). This area of Perez Zeledon is very popular with Ticos and ex-pats due to its gorgeous landscapes and jaw-dropping views. It is also an easy drive into town, as well as to the beach, with Dominical being less than an hour away. This home was built in 2013 and features two levels of sturdy concrete block construction that open up to the dramatic mountain views available from every angle. The first-floor features kitchen, dining room, half-bath, and living room areas. There are an office area and a laundry room. The home is being sold turn-key with all major furniture and appliances included. The second floor features three bedrooms. There are two guests sharing a full bathroom, as well as the master bedroom with an ensuite bathroom and large walk-in closet.
