Property Description

Ojochal Riverfront is a newly renovated jewel centrally located along the valley's main river in the trendy Ojochal area. The paved road access and riverfront setting allow for multiple use case scenarios. There is ample parking, open green spaces, and a beautiful two-level structure with a three bedroom, two bath downstairs residence, and a one bedroom, one bath apartment on the upper level. The owner can live in one and rent the other, or potentially run a business out of the property. The larger dwelling has a beautiful great room with a handsome kitchen, two semi-furnished bedrooms and a third bedroom which could work well for an office space. All furnishings, finishes and appliances are brand new and very attractive. They include: custom beds, quality mattresses and pillow tops, brand new air-conditioning units, matte black fixtures, natural stone countertops and quality stainless steel appliances.
