Property Description

Wanting to experience secluded living right near the beach in the Puertocito neighborhood in Costa Rica? This property features a cute 1-bedroom guest home and an ocean view lot to build your forever home or a vacation rental and turn it into an investment property. This community is a prestigious and safe community and one of the few located on the ocean side of the highway. The fully-furnished cute guest home features Mediterranean-style décor with a blue tile backsplash in the kitchen and the bathroom. The charming kitchen features stainless steel appliances, plenty of storage, and a breakfast bar. There is an open-air sitting area with outdoor sofas and chairs, accented also with blue cushions. The guest home features one bedroom and one bathroom. It's the perfect place to reside while you build a larger home. This property is situated in a great location and features great amenities.
