Property Description

These Luxury Ocean View Villas are a hidden treasure in Santa Teresa. Less than a five minute drive from the main road, the property consists of a 3 bedroom villa with amazing ocean views thanks to the open floor plan, the main floor feels spacious and expansive. The entire floor, with the fully equipped kitchen, dining area, pool table, and comfortable couches, opens up to a balcony overlooking the ocean and an infinity pool and sunning area. Open the sliding doors completely, and the entire floor becomes part of the balcony. The 3 master bedrooms with en-suite bathrooms are downstairs. The bedrooms open up to a balcony with an ocean view. The other spacious and luxurious 4 Bedroom ocean view Villa has nothing but the best of everything. There is nothing ordinary with this villa. It is the perfect property when you're looking for a spacious, luxurious vacation rental only minutes from the beach.
